Specialisation:
User Experience Design

University:
Symbiosis Institute of Design,
Pune (2013 – 2017)

PROFILE

Professional UI-UX designer with industry experience of 7 years. I have found my niche at the intersection of design and technology, and I love to have an active role in designing innovative solutions and enhancing human experience. I believe that understanding user behaviour and taking that information to design is the key to build engaging & meaningful experiences.

EXPERIENCE

- | | |
